Education

Cleveland, OH	Case Western Reserve University	Fall 2023 – Present

- B.S.E. in Computer Engineering. Expected Graduation: May 2027
- Coursework: Programming Languages; Circuits and Instruments; Lighting Design.

Technical Experience

I am an experienced crew member with extensive experience in stagehand, carpentry, and electrical work in a University setting, including load-in and load-out. I am seeking new challenges with talented people to expand my skill set.
